OPENING JANUARY 2027

WELCOME

Hello from *Mome Nursery*

Thank you for considering Mome for your child. Choosing a nursery is one of the biggest decisions you'll make, and we don't take that lightly.

Mome is an independent day nursery at the Angel end of St John Street — built from the same love and energy that local families already know from the Mome play café. We are a small, close team; every child is known by name, by personality, and by the things that make them light up.

We are open Monday to Friday, 8am to 6pm, with optional breakfast and late sessions from 7:30am to 6:30pm, for 50 weeks of the year.

Nothing replaces seeing us for yourself. Please get in touch to book a visit — we would love to show you around.

The rest is priceless.

OUR APPROACH

How children *learn* at Mome

Young children learn best when they feel secure, curious and free to follow their interests.

Our days blend child-led play with purposeful adult-led moments — so children build confidence at their own pace.

We follow the Early Years Foundation Stage (EYFS), the national framework from birth to five. Every child has a key person: one practitioner who knows them especially well, helps them settle, and is your first point of contact.

- **Warm relationships**

Children who feel safe and known are ready to explore.

- **Independence**

From choosing what to play with to feeding themselves — we help children do things for themselves.

- **Curiosity**

We plan around what children are interested in right now, not a fixed script.

- **School-ready confidence**

Social and emotional strength matters as much as early letters and numbers.

- **A happy team**

Staff who feel supported give children their best. We look after our people too.

OUR ROOMS

Three rooms. One *family*.

Children are grouped by age and stage, and we plan every transition together with you. Every room has areas for role play, building, messy play, mark-making and sensory exploration.

ROOM	AGES	WHAT IT'S LIKE
The Peach Room <i>Babies</i>	3 months – 2 years	A calm, homely space with a dedicated sensory area and a quiet place to sleep. Babies keep to their own routines for feeds and naps.
The Sage Room <i>Toddlers</i>	2 – 3 years	Busy and hands-on, with plenty of messy play, early language and growing independence. The two-year progress check happens here.
The Terracotta Room <i>Pre-school</i>	3 – 4 years	Longer projects, early phonics and numbers, and the social skills children need for Reception. Forest School and enrichment sessions are core to the week.

LEARNING & ENRICHMENT

More to *discover* every week.

Nine specialist activities run alongside our EYFS curriculum — all included in your fees. No extras, no add-ons. Just more.

DANCE

Creative movement and self-expression through music and rhythm.

YOGA

Age-appropriate movement, balance and relaxation.

LANGUAGES & RHYME TIME

Songs and rhymes in Spanish, French, Italian and more — making language feel like play from day one.

BABY MASSAGE

Gentle, bonding massage for our youngest children.

MUSIC

Songs, rhythm, instruments and musical exploration.

ARCHITECTURE

Building, design and exploring shape, scale and space.

SCIENCE

Hands-on discovery, simple experiments and natural curiosity.

SPECIALIST SPORTS

Age-appropriate physical activity and coordination.

FOREST SCHOOL

Weekly nature-based learning outdoors in our local green spaces.

What a *full day* looks like

🏕️ HOLIDAY CAMPS

Coming 2027

Full-day themed camps in school holidays — art, nature, music and stories, the Mome way. Registered families get first access.

Enrichment & activities — All extracurricular and enrichment activities are included in the nursery price. The programme may vary by day and availability.

How funded hours are applied — We apply confirmed funded hours to the agreed attendance pattern. Any private hours outside the funded entitlement, together with applicable additional services, are then shown separately — making it easy to understand exactly how your monthly charge is calculated.

How we calculate your monthly fee — 50 weeks × agreed weekly charge ÷ 12 months. Your agreed weekly nursery charge is multiplied by 50 operating weeks and divided by 12. This gives a consistent monthly amount across the year and helps families budget.

01 Private hourly rates: 3 months–2 years £13.50/hr · 2–3 years £12.70/hr · 3–4 years £11.90/hr.

02 All consumables and listed added extras are included in the daily rate at no extra charge.

03 Funded hours are stretched over 50 weeks: 15 hours = 11.4 hours/week; 30 hours = 22.8 hours/week.

04 Monthly invoices annualise the agreed weekly charge over 50 operating weeks and divide it into 12 payments.

05 For 30 funded stretched hours of 2 full days: you will have 14 × 10-hour ad hoc days per year to book in at registration or the beginning of the funded year.

06 For 15 funded stretched hours of 2 full days: you will have 7 × 10-hour ad hoc days per year to book in at registration or the beginning of the funded year.

07 Funded hours cannot be split between nurseries or childminders.

NHS & sibling discounts available — speak to the team to confirm eligibility and current rates. Tax-Free Childcare and childcare vouchers accepted.

BEHIND MOME

Built by parents, *for families.*

Mome was created by us and our needs; as parents who wanted something different for their children - a place that felt as good for children as it looked, where community came first and the bar for care was genuinely high.

We started with the cafe and the From Mome sessions. Now the nursery is the natural next step: everything that makes Mome feel like home.

A place where children are truly nurtured, creativity is woven into every day and making each family at ease.

Early years done differently - the Mome way

TRANSPARENCY · MEALS & CONSUMABLES

We believe in *flexibility.* Here's exactly what things cost.

All meals, snacks, enrichment and consumables are included in our nursery price — because an all-in day is simpler, fairer and means no surprises at the end of the month.

But we're parents too. We know flexibility matters. So if you'd prefer to provide your own food, nappies or supplies, that's absolutely fine — and here's precisely what each item costs us to provide, shown openly.

Your right to opt out

Government-funded childcare hours are free. Meals, snacks and consumables are optional — they are never a condition of your funded place. Only items actually provided and agreed in writing will appear on your invoice.
